

N. Denise Asher, Esq.

Results Beyond DisputeSM

Denise Asher has been serving the legal community for over 35 years. Her dedication to her clients, strong work ethic, and talents in the courtroom led to numerous accolades during her time as a trial lawyer. Denise decided to "switch gears," and made the transition to full-time mediation in 2008 after seeing the tremendous benefit alternative dispute resolution offered those involved in the litigation process. Denise specializes in resolving employment, elder abuse, professional malpractice, and personal injury cases. She uses her background and experience to craft an approach to mediation that recognizes every party and every case is unique. She is well known for her preparation, tenacity, professionalism, and integrity. One attorney recently commented, "Denise consistently demonstrates an unusual ability to resolve cases with significant value; divergent viewpoints on key facts; and factors that would lead many mediators to conclude that the case cannot be resolved. She always gets the settlement achieved and does so with a grace and dignity that is very rare." Another attorney said, "the qualities that make a great mediator are primarily innate and cannot be acquired - a mediator either has it, or they don't. After working with Denise, I will say without equivocation; she clearly has it."
