Results Beyond DisputeSM

David has been a lawyer for 45 years, serving as a part-time mediator since 2010 and full-time since 2015. He has over 38 years of experience as a trial lawyer in both state and federal courts in a broad spectrum of employment cases including class action, medical negligence, construction defect, and personal injury cases. While in active practice, he litigated through a lens of resolution and participated in hundreds of mediations and arbitrations, and counseled his clients in conflict avoidance. He is a respected lawyer among his peers and opposing counsel with a reputation for being passionate, intelligent, and fair. An attorney on an employment/discrimination mediation said, "I would like to add that Mr. Perrault was the consummate professional, while at the same time very approachable by, both, my extremely emotional client; and myself.
