Results Beyond DisputeSM

Since 1998, Judge Herbert Hoffman has utilized his experience as a judge and trial lawyer to serve as a mediator, arbitrator, and private judge in a wide range of state and federal matters. During his tenure on the Superior Court in San Diego, he was appointed to the Federal Judicial Council, a role he was well suited for, having tried cases throughout the country for the Department of Justice and the U.S. Attorney's Office. Judge Hoffman has successfully resolved thousands of cases involving real estate, personal injury, professional liability, employment, medical malpractice, class action, insurance coverage, and bad faith plus business/commercial disputes including an international multi-million dollar case involving disputed royalties, before the International Court of Commerce in Paris. He also is frequently selected as a special master or discovery referee in numerous civil matters including the 'coordinated latex glove litigation' and multi-district litigation cases. The depth of Judge Hoffman's legal, judicial, and ADR experience is immense. He has earned a reputation as a Judge who has encountered just about everything, a straight shooter, and a strong agent of reality.
