Results Beyond DisputeSM

Since 1999, Troy Roe has been a full-time Neutral and specializes exclusively in Mediation. He has had over two decades of experience resolving all types of disputes, both in Private Law Practice and as Judge Pro Tempore in Orange County Superior court. Through his hard work and dedication to resolving big injury cases with challenging legal issues, Mr. Roe has become one of Southern California's most requested Mediators. For several years since 2002, he has been selected by the Daily Journal as one of California's Top Neutrals. Both plaintiff and defense concur; he is an attentive listener who understands the parties and their issues. He knows how to explore all the legal, business, and personal ramifications, and he is especially proficient at guiding parties to reach resolution. Among our clients' comments: "Mr. Roe is knowledgeable, patient, hardworking and accommodating with his time" and "you can really see how much he is dedicated to helping the parties," another attorney commented, "He is straightforward and cuts right to the issues and doesn't waste anyone's time."
